Respiratory Therapists

**CHEST 2019 EXHIBITORS** will have more opportunities than ever before to connect with attendees in the Exhibit Hall. This year, CHEST is changing the Exhibit Hall layout by scattering poster and theater pavilions throughout the space, so attendees visit all corners of the hall.

**Experience CHEST.** Our own CHEST booth highlights CHEST products and resources, houses the CHEST Store, and features bite-sized presentations on current chest medicine topics.

**Original Investigation Posters.** Unpublished science is displayed and presented during unopposed sessions.

**Case Report Posters.** Interesting, relevant, and sometimes unusual cases are presented.

**Interactive Education.** Innovative, interactive education opportunities inside the hall add dimension to the learning experience.

**Learning Theaters.** Focused presentations in a theater setting offer clinical insight.

**CHEST Bingo.** This popular game, played daily, allows attendees to compete for prizes.

**4,162 UNIQUE EXHIBIT HALL ATTENDEES**

Hours, including installation and dismantling, are subject to change. Exhibitors will be notified if a change in hours is necessary. Final times will be listed in Exhibit Service Manual.

Booth Information

Your exhibit fee includes:
- 9 hours of unopposed time
- Exhibit listing, including booth description and educational activity, in the CHEST 2019 Online Program and the Exhibit Guide, distributed to all attendees
- Privilege of booking housing through the CHEST housing bureau, which negotiates special rates for attendees and exhibitors
- Five complimentary exhibitor badges per 100 square feet (10’ x 10’) of space
- Beacon technology that will allow you to capture key information about attendees and who visited your booth
- General lighting
- Roving security
- Aisle cleaning
- Opportunity to purchase preregistrant and postregistrant attendee mailing lists

Application and Contract Space
CHEST teams with a2z, Inc, to bring you the latest in trade show technology. Booth selection takes place through an easy, one-stop-shop online reservation process. You have access to our live floor plan to select and reserve a booth, update your company information, and make your exhibit space deposit. Once confirmed, you will be able to log in to our exhibitor portal (s23.a2zinc.net/clients/ACCP/Chest2019/Public/Enter.aspx)
- Enter and update company information
- Enter a company description
- Select product categories
- Preview and edit your public online profile

Start-up Park
5x10 Booth available to companies that are first time exhibitors and have been incorporated for less than 5 years. $2,400 (Limited Space Available)

Catherine Crowley
Senior Manager, Exhibits and Sponsorship Sales
crowley@chestnet.org  |  +1 (224) 521-9515

Contact regarding exhibit booth sales and contracts, private meeting suites, booth assignments, booth education descriptions, and payment.

Josh Coe
Exhibits and Meetings Manager
jcoe@chestnet.org  |  +1 (224) 521-9582

Contact regarding any logistical/operational questions, such as Exhibitor Service Manual, official contractors, move-in or move-out dates, exhibitor registration, etc.
Priority Point System Policies

When assigning booth space, CHEST will use a priority point system. Points are accumulated as follows:

- 1 point will be given for each 10x10 booth space secured (eg, 20x30 space = 6 points).
- 2 bonus points will be given for reservations received by November 2, 2018.
- 1 bonus point will be given for booking in 2018 CHEST Housing block.
- Exhibitor loyalty points: 1 point will be given for each year of exhibiting during the past 5 years (2014 - 2018).

During the priority point space selection process, applications received without a 50% deposit will not be processed. Applications received after May 1, 2019, must be accompanied by full payment.

Mergers & Buyouts

In cases where exhibiting companies have merged, been purchased by, or have purchased another company and need to merge booth space, the resulting company will retain the higher of the points total of the individual companies. Priority points will not be combined. Points will be evaluated on a case-by-case basis for companies sharing a booth space.

Reduction of Priority Points

Violations of rules and regulations will result in a loss of points.

- 1st violation results in the loss of the current year’s priority and bonus points.
- 2nd violation results in the loss of one-half of accrued points.
- 3rd violation results in the loss of the remainder of points.
- 4th violation results in a 1-year suspension of exhibit privileges.

Points will be deducted for infractions of rules and regulations:

- Distribution of advertising materials outside your exhibit space.
- Noncompliance with booth construction guidelines.
- Booth not set up on time.
- Dismantling before the show closes.
- Holding a social activity that conflicts with CHEST events.
- Unethical conduct.
- Being disruptive.
- Taking pictures of or recording other booths without permission.
- Booking hotels outside the CHEST housing block.

We reserve the right to deduct any or all points for serious infractions. Companies who do not exhibit for 3 or more consecutive years will forfeit priority points.

Space Assignment

If more than one company has the same number of priority points, the date the contract is received will determine who has first choice of the exhibit space selection.

Requests for space after the priority point deadline will be processed on a first-come, first-served basis, regardless of priority points. First-time exhibitors will be assigned space based on the date the application and deposit are received. We will make every effort to accommodate exhibitor requirements so that companies are able to exhibit under the most favorable conditions. Final decisions will be made by CHEST.

Make Plans Now for CHEST 2019

IMPORTANT DATES

May 1:
- Final payment exhibit space due
- No Refund policy goes into effect

June 19:
- Exhibit Guide booth description information deadline

August 28:
- Giveaway approval deadline
- Notification to utilize an outside contractor deadline
- Proof of insurance due from outside contractor
- Island booth renderings due

October 18:
- Exhibitor move-in begins

October 21:
- Exhibit hall opens

For periodic updates: exhibit.chestnet.org
Supporting a conference event or activity at CHEST Annual Meeting offers a more rewarding experience for attendees and increases your visibility. Communicate your message to CHEST attendees through our popular promotional opportunities. ALL opportunities are reserved on a first-come, first-served BASIS. New and creative ideas are always welcome.

**CHEST 2019 Sponsorship and Promotion Opportunities**

**Your support makes a valuable contribution.**

**Hanging Banners**  
$15,000 - $45,000 per location  
Audience Reach: Approximately 5,000  
Promote your company on highly-visible banners at the convention center, in the Exhibit Hall, or at the headquarters hotel. Cost varies by size and location.

**SmartAd Kiosk**  
Price $20,000  
The SmartAd Kiosk offers an opportunity to use motion and illumination to draw attention to your message. As this 8’6” tower rotates, it maximizes impact by allowing viewers to see up to 4 different graphics, one on each side of the rectangular kiosk. Limited quantity available!

**Escalator Advertising**  
Call for Pricing  
Audience Reach: Approximately 5,000  
Promote your message to attendees on the main escalators of the convention center. Place clings to the side of the escalator, chrome dividers, and/or floor at the top and bottom of the escalators.

**Electronic Signage**  
$60,000 for up to 20 signs  
Audience Reach: Approximately 5,000  
Up to 20 digital LCD signs are placed in high-traffic areas and outside session rooms displaying session titles and speaker names. As the sole supporter of these signs, your corporate logo or message is displayed when CME programs are not being held.

**Seating Areas**  
$30,000  
Place your company message and branding on tables, chairs, table clings, and signage in seating areas around the convention center.

**R & R Lounge (Rest and Recharge)**  
$40,000  
Audience Reach: Approximately 5,000  
Attendees rest, catch up with colleagues, and charge devices in this lounge area in the Exhibit Hall. Support the R & R Lounge and have your company name or product incorporated into the lounge title, and receive corporate recognition in marketing pieces and on signage in the lounge area. This is an effortless way to increase your visibility.

**Column Wrap Advertising**  
$15,000 - $20,000 per location  
Audience Reach: Approximately 5,000  
Place your company message, branding, and booth location on columns in high-traffic areas.

**Window Clings**  
$15,000 - $45,000  
Audience Reach: Approximately 5,000  
Advertise your product on bright and colorful window clings located in high-traffic areas of the convention center and in the headquarters hotel.

**Meter Boards**  
$5,000 each  
Attract attendee attention by displaying your marketing message on a double-sided meter board in high traffic areas throughout the convention center.

**Program-at-a-Glance Board**  
$30,000  
Audience Reach: Approximately 5,000  
Advertise on the Program-at-a-Glance board, a large directory over 5,000 attendees use daily to identify and locate sessions. The board is in a high-traffic area, making it an ideal opportunity to showcase your brand or message and exhibit booth location.

**Tower Charging Stations**  
$30,000 per station  
Audience Reach: Approximately 5,000  
Have your company name or product incorporated into the station title of one or more of our tower charging stations. In addition, receive corporate recognition in marketing pieces. This is an effortless way to increase visibility.

**Help Desk**  
$40,000  
The CHEST Help Desk is a high-traffic area where attendees go to get tech and other general assistance. Receive recognition on signage and select panels on the booth structure. Hours of operation are Saturday through Wednesday.

**NEW!! Electronic BINGO**  
$15,000  
One of our most popular sponsorships. This year, the game will be played via our event-wide used mobile app. BINGO attracts attendees to the exhibit hall and your booth as they try to win medically relevant and Sunshine Act-approved prizes.

**Customized Cups and Napkins Used for Coffee Breaks in the Exhibit Hall**  
$35,000  
Audience Reach: Approximately 15,000 (5,000 per day)  
Add your company branding to the beverage cups and napkins used by attendees during scheduled coffee breaks in the Exhibit Hall. This is a reliable method of permeating the entire convention center with your product logo, corporate logo, and/or booth location.
For more information, contact:
Catherine Crowley Senior Manager, Exhibits and Sponsorship Sales
ccrowley@chestnet.org  |  +1 (224) 521-9515

Learning Theaters in the Exhibit Hall
$25,000 per 45-minute lunchtime presentation (9 available slots)
$20,000 per 45-minute morning or afternoon presentation (16 available slots)
Fees do not include marketing and logistical expenses.
Audience Reach: Approximate Seating: 100
Make a presentation related to specific disease states in a mini-theater setting in the Exhibit Hall. Meet with attendees and key decision makers to share new research, discuss clinical protocols, conduct product demonstrations, or introduce new products and services. Presentations will be made daily during unopposed times. Daily time slots are limited, so reserve your space today!

Non-CME Promotional Program/Activity
4-Hour Evening Program: $75,000
Fee does not include marketing and logistical expenses.
Audience Reach: Approximate Seating Capacity of 250. (Capacity varies by room size. Details will be provided with application/contract.)
Time slots are available Monday and Tuesday evening, 6:00 PM - 10:00 PM. Present branded or nonbranded information to attendees. These activities do not compete with CME programs, so you can showcase your product as a workshop and/or host a special activity—such as a poster presentation, reception, or other formats.

DIGITAL MARKETING OPPORTUNITIES

CHEST Event App - Sponsored Push Notifications
Exclusive Support— $85,000
Silver—$50,000 (one opportunity)
Bronze Package—$35,000 per company (up to three available opportunities)
Audience Reach: Approximately 5,000
Includes four app push notifications delivered right to annual meeting attendees via their smartphone. Subject to editorial and schedule review by CHEST.

Supporters will receive:
- Splash page support recognition 100 character maximum. (Exclusive for silver level supporter only)
- Rotating banner ads
- Enhanced exhibitor listing to include company logo
- Corporate/product branding on download site
- Recognition in programs

Mobile Targeting Ad
Contact Catherine Crowley for pricing: ccrowley@chestnet.org
Purchase hypertargeted ads to reach mobile and tablet devices of attendees. Deliver enhanced mobile and health-care provider targeting to reach CHEST members when they are at conferences or browsing the Web outside of traditional (endemic) medical content.

Special Edition CHEST NewsBrief
Contact Catherine Crowley for pricing: ccrowley@chestnet.org
Sponsor four special editions of our e-newsletter, sent during the CHEST Annual Meeting to all of CHEST membership and meeting attendees, and features a mix of conference details, schedules, and information. Single-sponsor exclusive or multisponsor opportunities available.

Banner Ad Space in CHEST 2018 Email
Premeeting email—$25,000
Drive heavy traffic to your sponsored events with a premeeting email targeted toward CHEST attendees.

CHEST-Sponsored Social Media Messages
$3,000 per post, which can include text, image or video, and URL. Exclusive package of 10 social media posts for $25,000, limited to one sponsor.
Audience Reach: Approximately 5,000
Meet your audience where they are, and share your messages related to CHEST 2019 with them. Over 1.3 billion people are daily users of Facebook, and Twitter receives 7 million unique visitors daily. CHEST-sponsored Facebook or Twitter posts are delivered to the CHEST social media audience (133,000 Facebook followers.) Limited to 10 total sponsored social media posts during CHEST 2019, subject to editorial and schedule review by CHEST.
Lung Health Experience

Join the CHEST Foundation on Saturday, October 19, for our Lung Health Experience.

Our lung health expo brings local respiratory therapists and leading lung health experts to the public in a fun and inviting, carnival-like atmosphere. This event allows members of the community to connect with their local lung health champions so that they can begin the conversation about their lung health outside of the clinical setting, get their lungs screened by a respiratory therapist or pulmonologist, learn about different disease states, and gain empathy for those with conditions and diseases like asthma and COPD.

Sponsorship opportunities are available to participate in this community-wide event.

Young Professionals and Travel Grants

The CHEST Foundation has provided support to more than 112 attendees to the annual CHEST meeting since 2017. Due to the philanthropic support, the CHEST travel grant continues to flourish and grow for 2019, bringing young professionals from around the world to the annual CHEST meeting. The donors and supporters of the CHEST Foundation enable our ability to impact the careers of early career clinicians and those still in training. Supporters of the travel grant program provide individualized mentorship from a CHEST member who is part of CHEST leadership; the ability to learn best practices for applying for research grants from previous grant winners; exclusive invites to young professionals-only reception for networking opportunities with peers and potential employers; and access to several sessions at the annual meeting intended to strengthen their clinical skills.

Also, each year, the CHEST Foundation offers grants to worthy research candidates, generous community service volunteers, and distinguished scholars in a field of expertise. Nearly 800 recipients worldwide have received more than $10 million in support and recognition of outstanding contributions to chest medicine.

The CHEST Foundation acknowledges our grant winners and young professionals at the Breakfast of Champions and the Young Professionals Reception, both on Monday, October 21. Sponsorship and recognition opportunities are available for both of these exclusive, invite-only events.

CHEST Foundation Cause Marketing

Drive participants of the CHEST 2019 meeting to your booth and engage their interest in your products with a CHEST Foundation cause marketing initiative.

If you have ideas to highlight your products with a custom experience partnership opportunities are available exclusively with the CHEST Foundation for $25,000

CHEST Foundation Reception

The CHEST Foundation will celebrate the wonderful support of all donors and partners at the annual CHEST Foundation reception on Sunday, October 20.
Reach the CHEST Community All Year Long

Grant-Funded Opportunities

Virtual Patient Tours (VPTs)
Self-guided, museum-like experiences take learners through a patient case as they walk through learning stations. VPTs are available to all learners throughout the CHEST Annual Meeting.

Educational GAME
Interactive and multimedia hands-on learning activities. GAMEs are available to all learners throughout the CHEST Annual Meeting.

Fellows Course
A full-day course covering a variety of pulmonary and critical care topics that targets fellows-in-training.

Interdisciplinary Sessions
Programs address clinical issues across various disciplines and combine lecture-based, case-based, flipped-classroom, and hands-on learning opportunities.

Postgraduate Courses
Half-day and day-long intensive learning experiences on a variety of pulmonary, critical care, and sleep medicine topics.

Learning Tracks
Learning programs consisting of a number of sessions and activities. Tracks address a variety of learning styles and modalities and may include general sessions, case-based discussions, and team-based programs.

CHEST Simulation Center
A hands-on clinical environment where participants work with experienced faculty to sharpen skills and apply their knowledge using real equipment, live model demonstrations, and simulators.

Industry-Supported CME Satellite Symposia
CHEST offers the opportunity for accredited industry-supported CME satellite symposia. Symposia are held at times that do not compete with the annual meeting programming. The programs are not accredited by CHEST and are not part of the official conference program.

CHEST Foundation Research Grants
Support the CHEST Foundation in providing research awards to our members. Grant award recipients are recognized at the CHEST Annual Meeting and receive support to implement research projects that advance the prevention, diagnosis, and treatment of chest diseases.

For more information, contact:
Debra Janiszewski
Senior Director of Grant Development, Planning, and Evaluation
djaniszewski@chestnet.org  |  +1 (224) 521-9528
Exhibitors at CHEST receive a complimentary, comprehensive Booth Flow report, showcasing the latest technology in traffic flow. Through data and visual analytics, CHEST provides actionable insights on visitors to your booth and attendee traffic flow throughout the annual meeting. Booth Flow reports allow exhibitors to better assess booth performance and ROI, review marketing impact, and better strategize for future meetings.

Need insights beyond the exhibit hall? Interested in analyzing attendee sentiments in a key territory? Or treatment patterns for a specific disease state? Upgraded reports are now available with Booth Intel Core and Premium report options, to maximize your booth investment and take a deeper dive into the detailed data and granular analytics. Contact Catherine Crowley at ccrowley@chestnet.org to ensure you receive the best data coming out of CHEST 2019, customized to you and your needs.

Focus Groups and Panel Discussions

Focus Groups are a great new opportunity available at CHEST! When you want to explore a specific topic in the context of a discussion or debate, our CHEST Analytics team will conduct a Focus Group. While at CHEST 2019, we’ll assemble a representative sampling of five to ten qualified subject matter experts in an on-site, expertly moderated conversation with immediate data collection. Insights gained can help inform your go-to-market strategy for a new treatment or device, help refine plans for a targeted education program for fellows, or get a boots-on-the-ground clinical perspective from community pulmonologists for early stages of drug development. All findings will be summarized in a detailed, top-line report.
